SCORE:	17/40

Answer the following questions using complete sentences:

1. Identify the type of web site (chapter 3). Note: it can be a hybrid web site.
2. Do you think the design is appropriate for the content? Yes, or No? Explain in 2 or more sentences.
3. Does the web site offer some accessibility features? List them, if any. (Chapter 2)

1. **This page seems to be having an identity crisis because it seems to be a Publishing website however it looks like a blog.**
2. **However the content is not the problem, it's the presentation. It's very bad, sometimes simple and bright is the way to go.**
3. **No.**

	Needs Improvement				Excellent
Content	1	2	3	4	5
Navigability	1	2	3	4	5
Site Management and Communication	1	2	3	4	5

SCORE:	21/40

Answer the following questions using complete sentences:

1. Identify the type of web site (chapter 3). Note: it can be a hybrid web site.
2. Do you think the design is appropriate for the content? Yes, or No? Explain in 2 or more sentences.
3. Does the web site offer some accessibility features? List them, if any. (Chapter 2)

1. **The pages is a publishing type of website with a single column design. Making it a very unpleasingly page to navigate since the website doesn't use space to it's advantage.**
2. **It is not a good design for a website. I wouldn't visit such a messy website. It need compartmentalize it's content.**
3. **I don't see them so no.**
